1 POLICY

1. The Division of Clinical Education is committed to providing chiropractic health care without discrimination to the community at large.
2. Patient care is subject to the conditions set out in the Patient's Rights and Responsibilities document posted in all CMCC clinics.
3. All patient care and documentation will be maintained in accordance with the statutes of the Province of Ontario, Regulations, Standards of Practice, and Policies and Guidelines of the College of Chiropractors of Ontario, and CMCC policies.
4. CMCC operates a number of community based teaching clinics throughout the Greater Toronto Area. Access to these facilities is first governed by the home institutions' own policies and procedures and then by CMCC's policies as noted above.
5. All equipment utilized in the Clinics for patient care is kept secured with access limited to interns under the direction or supervision of clinical faculty during posted hours of operation. Access to all other individuals must be granted through a member of the Clinic Management Team.

2 PURPOSE

To restrict and regulate access to CMCC clinics.

3 SCOPE
