1 POLICY

1. Voluntary Withdrawal

- a. Students who wish to withdraw must notify the Registrar in writing of their intent to withdraw from their program of study.
- b. Ceasing to attend classes does not constitute withdrawal.
- c. The date of withdrawal will be determined by the date of receipt of notification by the Registrar.
- d. Students who withdraw from a course before half of the course is completed, or who withdraw from the academic year prior to or on the withdrawal deadline, as established from time to time, will receive a "W" (withdrawal) on their official student record and credit will not be awarded for the course or for any courses where a final grade was not earned.

A grade of "W" will not be calculated into the student's GPA at CMCC.

The date of withdrawal and an academic status of "Withdrawal" will be recorded on the official student record.

- e. Students who withdraw from a course after half of the course is completed, or who withdraw after the withdrawal deadline will receive a "WF" (Withdrawal with Failure) on their official student record, and credit will not be awarded for the course or for courses where a final grade was not earned.

A grade of "WF" will be calculated into the student's GPA at CMCC.

The date of withdrawal and an academic status of "Withdrawal with Failure" will be recorded on the official student record.

- f. The institution shall advise the student, in writing, of the terms and conditions of the withdrawal and the conditions for readmission, if any. Any student who withdraws from the program and wishes to return must reapply. The new application shall be dealt with at the sole discretion of the institution.

2. Administrative Withdrawal

- a. Students may be withdrawn from CMCC by the Administration for academic failure, non-attendance, academic offences, or violation of other CMCC policies.
- b. Students who have been withdrawn from the program will receive a grade of "F" on all incomplete courses.
- c. The date of the administrative withdrawal and an academic status of "Withdrawn" will be recorded on the official student record.
- d. The institution shall advise the student, in writing, of the terms and conditions of the withdrawal.

3. Refunds

- a. The Year I Registration Fee is non-refundable.
- b. A full refund of tuition and ancillary fees that have been collected will be made if:
 - i) the student rescinds the Student Registration Agreement by providing notice to CMCC within two days of signing the Student Registration Agreement as part of their annual registration.
 - ii) the student gives the institution written notice before the program start date that the student does not intend to start the program, or
 - iii) the student does not give any notice to withdraw from the program before the program start date and does not attend the first 10 consecutive days of the program.
- c. A prorated refund of tuition fees that have been collected for services not yet provided is given to the student if:
 - i) the student gives the institution written notice of intent to withdraw after the program start date but before the withdrawal deadline, as published in the Academic Calendar, or
 - ii) the program is discontinued or suspended for any reason.
- d. CMCC calculates the refund of tuition by subtracting the amounts earned by CMCC for services provided, calculated on a monthly basis, and rounded to the nearest quarter month from the tuition fees paid in advance.
- e. A refund of the student health care premium will only be made provided that the student withdraws or opts-out of coverage prior to the change of coverage period as designated by the insurance provider. After that, the plan is administered in accordance with the terms and conditions of the insurance provider.
- f. All ancillary fees are neither refundable nor transferable upon the commencement of the program.
- g. If a student has received a scholarship, bursary or award that has been administered as a credit to their student account, the amount credited will be forfeited and will be calculated into the balance owing to CMCC.
- h. Before any refund is given to a student, all obligations to provincial or federal funding agencies will be made by Financial Aid in accordance with the designated jurisdictional policies and procedures.

- i. If a student is withdrawn from CMCC for any reason, there will be no refund of fees, and any outstanding accounts with CMCC become immediately payable.
- j. If a student is entitled to and has made a demand in writing for a tuition fee refund and CMCC has not paid the amount of the refund within 30 days of the demand, or arranged for the Trustee to pay the amount of the refund within that period, the student may apply to the Trustee to have the refund directly paid to them out of the unearned tuition fee held in trust for that student [Post-Secondary Education Choice and Excellence Act, 2000 O. Reg. 279/02, s.10.(9)]. The student will be required to present a copy of the Student Registration Agreement in the event they make a claim against the security.
