## 6. DEFINITIONS

Extenuating circumstances are those that are beyond the control of the student. They may be unexpected and could include, but are not limited to, illness or injury to themselves or others. In order to be considered, circumstances related to illness or injury must be comprehensively validated in terms of their limitation on academic functioning and student well-being by a health care professional who is licensed within the specific scope of practice. For circumstances not related to illness or injury, other supporting documentation must be provided on request.
