

**CMCC takes academic integrity very seriously. In signing and submitting this supplemental document, I confirm that I will not act in such a way that would constitute cheating, misrepresentation, or unfairness. This includes but is not limited to, using unauthorized aids, Artificial Intelligence (AI) and assistance (such as having another person help me, using answers found on the internet, or through AI, or copying another person's answers), personating another person, and committing plagiarism. Committing any of these acts may be grounds for my application being denied, and/or subsequent enrolment and/or subsequent admission being revoked or enrolment being withdrawn. I also agree to keep the information in the admissions interview confidential, and will not share information publicly or with other applicants. I confirm that all responses here are of my own authorship, and were done within the time provided.**

**Type "I agree" if you agree to follow the conduct outlined here.**
