A private club, located only two minutes from CMCC's campus, Bayview Golf & Country Club hosts only three external tournaments a year. The 18-hole championship golf course is impeccably groomed and winds through gently rolling, tree-lined fairways and water features, leading to large, subtly challenging greens. Designed in 1960 by Canadian Golf Hall of Fame architect Robbie Robinson, and renovated by renowned course designer Doug Carrick, Bayview consistently ranks among Score Magazine's Top 100 courses in Canada.
