

For Immediate Release

The search for Canadian Memorial Chiropractic College's next president is on

TORONTO, December 6, 2013— In September, the Canadian Memorial Chiropractic College (CMCC) Board of Governors announced that Dr. Jean A. Moss will step down from her position as President, effective June 30, 2014. With over 43 years of service to CMCC and 23 years as President, Dr. Moss leaves a rich legacy and a successful institution internationally recognised for its professionalism and innovation.

Following the announcement, a Presidential Search Committee, chaired by Dr. Kelli Blunt, Past Chair of the CMCC Board of Governors and current Board member was appointed. The Committee selected executive search firm, Feldman Daxon Partners, Inc., to conduct the extensive national and international search to recruit the next CMCC President. Feldman Daxon has a proven track record of success in performing executive level searches and clearly demonstrates the values that best align with CMCC's core values.

"Dr. Moss has will be leaving a glowing legacy at CMCC. We are working very closely and collaboratively with the principals at Feldman Daxon toward the goal of finding the best leadership to take that legacy forward. We have solicited and received invaluable input from our stakeholders. The position is attracting a great deal of interest and I am confident that we will have a deep and extensive roster of highly qualified individuals from which to choose," said Dr. Dr. Kelli Blunt, Committee Chair and CMCC graduate from the Class of 1994.

CMCC is seeking an energetic and proven, outstanding leader who can articulate a compelling vision of academic excellence in chiropractic education, research and patient care; effectively fundraise; and demonstrate a commitment to collegiality, student engagement, and the pursuit of strategic initiatives that promote CMCC's position as a world leader in chiropractic education.

Leveraging CMCC's strong academic reputation and working collaboratively with the faculty, staff, and student leaders, the incumbent will actively foster an environment of intellectual pursuit, quality and professional growth.

The President will represent CMCC externally and will develop and nurture relationships with alumni, friends, donors, government, educational partners at the local, provincial, national and international levels, with the goal of attracting support and creating partnerships that advance and align with the institution's mission and vision.

To explore the opportunity further, please see the detailed posting for the role at:

About CMCC

The Canadian Memorial Chiropractic College is an academic institution recognised for creating leaders in spinal health. With graduates practicing in 37 countries and faculty who are leaders in their fields, CMCC delivers world class chiropractic education, research and patient care. Spearheaded by the McMorland

Research Chair in Mechanobiology, with a focus on spine instability, degeneration and joint dysfunction, CMCC graduate students and researchers contribute to the understanding and management of neuromusculoskeletal conditions. The campus features modern teaching and laboratory space, including new simulation and biomechanics laboratories, and is extended across Toronto through its network of community based interprofessional clinics that serve diverse patient populations.

CMCC offers a four year undergraduate program leading to a Doctor of Chiropractic Degree. This program is offered under the written consent of the Minister of Training, Colleges and Universities for the period from 24/3/11 to 24/3/21.
